An Extraordinary Meeting

By Gerrit S. Dawson
Senior Pastor

At our last session meeting, we spent forty-five minutes praying over six areas in our church life and ministry. First we studied Ephesians 6 together. That's the passage about putting on the whole armor of God to engage in the spiritual struggle that is the mission of the church amidst a lost and reluctant world. We noted that it's not enough just to have the spiritual armor that is the breastplate of Christ's righteousness or the sword of his Spirit. We have to know the choreography of how to move in that armor. That dance is prayer. We deploy faith and salvation and the righteousness of Christ when we move into the world by prayer. So it was beautiful to me to hear the elders you have elected offer up their supplications for our children, our facilities and finances, our youth, our work with the Gardere School, our missionaries in Lebanon and our church plant in New Orleans. Prayer opens our eyes to the will of God that he wants to work through us. Prayer undergirds our mission, for it draws us into the heart of Christ for his world.

After such a refreshing season of prayer, it was no accident that our other business moved easily. (Prayer always makes us more, not less, efficient!) The session has released \$85,000 in additional flood relief to three of our key mission partners that were flooded: Abounding Love Ministries, Caring to Love and Heritage Ranch. We also assigned \$10,000 to global mission projects and a grant to River Community Church South. Your elders realize that God blesses us with extraordinary resources in order that we might bless others.

So at our meeting, we also authorized asking for a special Thanksgiving offering for flood relief among our ministry partners. The gifts we were able to make do not meet the full extent of the need among these ministries that were totally flooded. On November 20, the Sunday before Thanksgiving, we will all be asked to make a one time gift to Flood Relief in gratitude to God for all his mercies toward us and all the work he has done through our partner organizations.

For this pastor, that's a daring move. My whole philosophy of stewardship is a focus on the yearly pledges we make to the work of the church. I want every person who gives even a dollar to know, "By this gift, I'm part of the mission work in Lebanon and the children's program downstairs; I'm at the Gardere School and in the pastor's study. My annual gifts connect me to the entire work of the church." In the last dozen years, that philosophy, and God's grace, has seen our giving soar. The only special offering we take is at Christmas. We know that our regular gifts power everything we do. So why take a special offering at Thanksgiving? Because I believe that these are extraordinary times. I believe we will feel great joy in giving above and beyond our annual pledges and Christmas offering to undergird ministries we love and support in our city.

Children's Ministry Volunteers; Ministers of the Gospel

We are actively recruiting volunteers for Sunday mornings. We generally ask volunteers to serve once a month for one hour. That's only 12 hours a year!

We love and treasure our time with both the volunteers and children on Sunday mornings. Remember, we recruit 'ministers of the gospel, not babysitters.'

This is an opportunity to point our kids to Jesus and show them the love of Christ. Volunteers are needed during the 9 or 11 am services.

Contact Audra Cato, audra@fpcbr.org. Audra will train you and equip you for your role.

"You shall love the Lord your God with all your heart and with all your soul and with all your might. And these words that I command

you today shall be on your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise." Deuteronomy 6: 5-7

Perspectives Is Coming!

Have you ever asked yourself the question: "What is God's will for my life?" Perspectives is a class being offered that will answer that question and more. It will shake your world view, change your perception on being a world Christian and GROW your relationship with the Lord.

Perspectives is a course that helps believers from all walks of life see how they can get threaded into God's story of redeeming people from every tribe, tongue and nation to himself. From Genesis to the prophets, Jesus Christ to the early church and Constantine to today, you will see how God has been moving, how the global Church has responded and what the greatest needs in world evangelization remain today. It is NOT a class about missions, but a course on how every believer can be intimately woven into the story of God using his people to be a blessing to all the peoples of the earth. This class will ruin you for the ordinary.

Classes begin January 2017. Contact Katy Cosby (katy@fpcbr.org) to ensure a spot.

**4****An Extraordinary Meeting***continued from page 1***Creating a Pro-Life Culture**

That's a daunting task in today's world. The historic Christian valuing of life from the moment of conception to natural death is contested in our wider culture. Our prizing of life exceeds that of any philosophy or religion in the world. Yet the hegemony of individual choice in the western world has caused a devaluing of life at every level. How can we lovingly, passionately bring others into the Christian valuing of life? That's the topic Kristan Hawkins will address at a breakfast meeting at our church, Friday, November 11 at 7:30 am. Kristan is the founder and director of Students for Life, an organization now on more than 1,000 college campuses. There

is no charge for the event (it is sponsored by our Ed Grant educational fund), but you must register to have a place. Call or email Laura at the church office to sign up.

Chorister Concert

We've all grown fond of our music students (choristers) who augment our choir program. From Lauren Honea's radiant renditions to Joshua's rousing baritone to Kevin's Irish tenor to Alexandra's limitless vocal resources, we thrill to have such talent work with our members. Now these choristers will offer a joyful vocal concert in our chapel, Tuesday night, November 15 at 6.30 in our Chapel. Admission is free, though an offering for flood relief may be given.
